## INDEPENDENT AUDITOR'S REPORT

To the Board of directors of Candace House, Inc.:

### Qualified Opinion

We have audited the accompanying financial statements of Candace House, Inc., which comprise the statement of financial position as at March 31, 2019, and the statements of operations, changes in net assets and cash flow for the year then ended, and the notes to financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of Candace House, Inc. as at March 31, 2019, and the results of its operations and its cash flow for the year then ended, in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis for Qualified Opinion

In common with many charitable organizations, Candace House, Inc. derives revenue from the general public in the form of donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of revenues from this source was limited to the amounts recorded in the records of the organization and we were not able to determine whether any adjustments might be necessary to donation revenue, excess revenue of expenses, current assets and net assets. Our audit opinion on the financial statements for the year ended March 31, 2019 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements including the disclosures, and whether the financial statements representing the underlying transactions and events in a manner that achieved fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**CANDACE HOUSE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2019**

**1. STATUS AND PURPOSE OF THE ORGANIZATION**

Candace House, Inc. (the "Organization") is a non-profit charitable organization which provides support to victims and survivors of violent crime in Manitoba - providing a home-like day refuge during the court proceedings. The Organization was incorporated, without share capital, under the Corporations Act of Manitoba and is exempt from income taxes under the Income Tax Act of Canada.

**2. SIGNIFICANT ACCOUNTING POLICIES**

An underlying assumption of the preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations is that the entity will continue for the foreseeable future and will be able to realize its assets and discharge liabilities in the normal course of operations.

The financial statements include the following significant accounting policies:

**(a) Revenue Recognition**

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

**(b) Tangible Capital Assets**

Tangible capital assets acquired by the Organization are recorded at cost. Donated capital assets are recorded at estimated fair market values. Amortization based on the estimated useful life of the underlying asset is calculated on a straight-line basis at the following rates:

Furniture and fixtures	5 years
Leasehold improvements	10 years

Assets under development or construction are not amortized until available for use.

**(c) Contributed Services and Donated Materials**

Contributed services and donated materials are not recognized in the financial statements. Donated capital assets are capitalized in the year they are received.

**(d) Use of Estimates**

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Estimates include amounts payable for services not billed yet at the time these financial statements were approved and amortization. Actual results may differ from estimates.

**(e) Financial Instruments**

Financial instruments held by the Organization include cash, accounts receivable and accounts payable and accrued liabilities. The organization initially measures its financial instruments at fair value when the asset or liability is first recognized. The organization subsequently measures its financial instruments at cost or amortized cost. Amortized cost is the amount at which the financial instrument is measured at initial recognition less principal repayments, plus or minus the cumulative of any difference between that initial amount and the maturity amount, and minus any reduction for impairment.

NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED MARCH 31, 2019**

**7. COMMITMENTS**

On May 1, 2017, the Organization signed a five year lease for operational space located at 183 Kennedy Street. The future annual lease commitments under this lease are as follows:

March 31,	2020		\$	37,800
	2021			39,375
	2022			39,375
	2023			13,125
				13,125
			\$	129,675

**8. FINANCIAL RISK MANAGEMENT**

**(a) Credit Risk**

Liquidity risk is the risk that the Organization will not be able to meet its financial obligations as they come due. Financial liabilities consist of accounts payable and accrued liabilities. Accounts payable and accrued liabilities are paid in the normal course of business and except under certain exceptions, no later than three months.

The organization's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet liabilities when due.

**(b) Credit Risk**

Credit risk is the risk that a counterparty will default on its financial liabilities. Financial instruments which potentially subject the Organization to credit risk and concentrations of credit risk consist principally of cash, temporary investments, and accounts receivable. Management manages credit risk associated with accounts receivable by pursuing collections when they are due.

**9. COMPARATIVE FIGURES**

Certain of the prior year comparative figures have been reclassified to conform to the financial statement presentation adopted for the current year.
