**November 1st, 2025**

The Leaf at Assiniboine Park

# About Us

This November marks Candace House's seventh year supporting victims and survivors of violent crime. We connect with families who have lost their loved one from police notification to court dates, and have now begun navigating Corrections and Parole Board hearings years after.

Because of your generosity, we have been able to provide a safe and comforting home-like day refuge during the court process and support over 2000 family members and friends who have lost their loved ones due to violent crime.

In the first half of 2025 alone, we've spent over 600 hours walking with families through the legal system – more than double our previous years, our support is more crucial than ever. Together, we've shared countless stories, meals, cups of coffee, laughter, and tears. It is through these connections that we learn about the amazing loved ones who lost their lives too soon.

## OUR MISSION

- 
- To provide a safe and comforting day refuge for victims and survivors of crime navigating the court process.
  - To offer access to holistic and culturally appropriate resources referrals, and victim support services in a way that promotes empowerment and resilience.
  - To contribute to the leadership in the victim services sector through effective and strategic use of collaborative partnerships.

# Eat, Drink, & Be Giving

As a charity, Candace House relies on community giving and fundraisers to support the invaluable work we provide. It would be impossible for us to provide this comfort and care without the generous support of people like you.

Please join us in celebrating the work that we continue to do, hear from the families we've supported along the way, and the incredible community we're surrounded by.

**6:00  
pm**

## VIP Cocktail Hour

Our evening will begin with an exclusive cocktail reception at 6:00 PM with appetizers, bubbly, and live music.

**7:00  
pm**

## 4-Course Dinner

We will continue with a 4-course dinner by the wonderful chefs of The Leaf, and a short program featuring stories of courage and resilience from the work we do.

# We hope to see you at our 5<sup>th</sup> Annual Eat, Drink, & Be Giving Fundraising Gala

Together, we can create a space  
where families impacted by violent crime are not alone;  
where they feel safe and supported with  
dignity, care, and compassion.
